**Subject:** RE: For review - Draft EPA Testimony for House Science Hearing on Glyphosate

Hi Sam,

Here is the email that just came out from IARC that I just mentioned on the phone. Probably not important, but Anna Lowit might want to be made aware of it. It discusses their rationale for inclusion of only publicly available studies, inclusion of "real-world" exposures by evaluation of epidemiological studies, and the recent AHS epi results.

Thanks,

Peter

Peter P. Egeghy, Ph.D. M.P.H.

**Subject:** Briefing note to IARC Councils

Dear Vol 112 Working Group members,

I hope this message finds you well. IARC recently prepared a Briefing Note for IARC Scientific and Governing Council members that you may find of interest; see also <http://governance.iarc.fr/ENG/infocouncils.php>.

Thank you again for your important contributions to the IARC Monographs.

Wishing you all the best for 2018,

With kind regards,

Kate
